This year’s event theme is *Catching Fire*, and it promises to be an extraordinary evening dedicated to showcasing the latest in innovation and creativity - in technology, equipment, programs to build skills, trainings, and more. This dynamic event gathers trailblazers, thinkers, visionaries, and funders from diverse fields to dream together and collaborate on solutions to improve access to independent living, inclusion, and equity for people with disabilities. **Join us on November 21, 2024**, at the Ten Oaks Ballroom, located at 5000 Signal Bell Lane, Clarksville, MD, for a VIP Power Hour from 5 to 6 PM, followed by an innovations showcase and live SpArc Tank “Pitch” entertainment from 6 to 8:30 PM.
